

SKAL Club of Saskatoon #321 March Dinner Meeting Minutes March 15, 2011

The last few years our March meeting has fallen on St. Patrick's Day. This year we were a few days early and green was as scarce as Leprechauns. However, this did not deter Murray and his talented crew at the Ramada from delivering in their typical style. EST Lloyd was absent enjoying his Budget Car and Truck Rental sponsored retirement trip with his wife Terry. Jay stepped up and handled the Executive meeting minutes. Jay and Todd R handled the paparazzi duties.

The Sargent must have really wrung out the fines or terribly annoyed someone as attested to by someone putting their 2 cents in. The Sargent's total was \$52.87.

From all verbal accounts (where are the notes?) a pleasant evening was enjoyed by all including visiting Skalleague Sue Vrie from Vancouver.

Murray ramped up the golfers' anticipation of spring by providing a free bucket of balls at the Golf Dome. April meeting will be our annual Mystery Tour.
