The President's first "official" duty was the pinning of our newest Skalleague Dana Soonias. Thanks to the Bessbrough culinary team who treated our palates an eclectic variety of vegetables, spirits, lamb and chocolate. While we sipped on the Bessbrough's private label O'Claire de Lune Chilean wine Andrew's more than capable stand in gave us a history of the wine and the saga of the Bessbrough's efforts to bring this gem to Saskatoon. Cheers Andrew!

The excitement of the day got the best of the new President as she forgot to line up a Sargent before the meeting began. Jay stepped in and used his imaginative creativity (not to the fullest we hope) and simply fined every one present \$2.00.

The 2010 financial results were shared with the membership as well as the \$5933.10 profit from the auction. A discussion was held on sending money to assist Queensland. The membership decided each member could assist individually as they saw fit and the Club would continue to support through the FVF.

The SICAN Rep shared the 2010 financials. Rod moved and Susan seconded "that the EST send an email congratulating the 2010 SICAN Executive on a job well done especially Treasurer John Scott". A push was made for more attendance in Puerto Vallarta. – EST will send out email link to the Congress and Club address change tomorrow.

There was a complete lack of good jokes but Orest wanted to share a special moment with us. He recently shot a 77 (his age) while golfing with his son and grandson. Congratulations Orest. If only the rest of us could get better with age!

The meeting adjourned after a good time was had by all.
